

# JOB POSTING

Fire Savvy Consultants is the Tri-State's leading, third-party plan reviewer for municipalities across the Tri-State area. We're excited to share that our opportunities to serve Michigan are growing.

We're ready to hire qualified applicants who have experience with building/fire codes and standards. Individuals who have served as designers, plan reviewers or inspectors with 5 or more years of experience are good candidates to join the Fire Savvy team and help serve our municipal clients. Fire Savvy will provide a comprehensive training program for qualified individuals.

Anyone interested in a full or part time Fire Protection Plan Examiner/Inspector as well as a full or part time Building Plan Examiner/Inspector position should visit our website at <http://www.firesavvyinc.com> and email us at [info@firesavvyinc.com](mailto:info@firesavvyinc.com).

To learn about our range of third-party plan review, building, fire and life safety consulting services please visit us at <http://www.firesavvyinc.com>.
